The Invincibles – Sunshine Coast Junior Golf Tour (INV) – 9 or 18 hole events

<https://www.theinvinciblestour.org/>

The Invincibles Sunshine Coast Junior Golfing Tour began in November 2003 as a direct response to the needs of our region's junior golfers who required coaching, encouragement and guidance to reach their full potential.

The Invincibles and Sunshine Coast Junior Golfing strive to promote integrity and sportsmanship in a safe and friendly environment. They also provide the kids with the best opportunity to follow their dreams and meet new friends.

Q: How do I become a member of the Invincibles Tour?

A: The Invincibles invites and welcomes boys and girls under the age of 18 who wish to participate. The only prerequisite is to “enjoy the game of golf” and have a friendly disposition. You will need to read and agree to the Conditions of Play and complete and return a Membership Form. These can be found under the Memberships menu.

Q: Do I need to have a handicap to join and participate?

A: Absolutely not. The Invincibles have a 9-Hole (Pee Wee) competition that focusses on teaching the fundamentals of the game. As you progress, in your own time, you will aspire to get your handicap and 'graduate' to the 18-Hole events.

Q: Do I need to become a member in order to qualify for the IGA or Gold Cup competitions?

A: Yes. These prestigious events are open to Invincibles members only. For further information on these competitions, see the Awards section.

Q: Do I need to be an Invincibles member to compete in the various Open competitions?

A: The Invincibles Open competitions are open to the public and we welcome members of other golfing organisation or

visitors to the Sunshine Coast. There are a few competitions that are for handicap only or require qualification to compete. Invincibles members have priority booking privileges where limited positions are available.

Glass House Mountains Golf Zone (GMGZ) – 3,6,9 and 18 Holes

<https://gmgz.com.au/>

The Glasshouse Mountains Golf Zone Junior Association is a sub-Committee of the Zone and is responsible for the running of junior programmes and coaching clinics and the selection of juniors for the annual zone coaching programs that have been put in place.

The Junior Association is charged with the following responsibilities:

- working with club junior convenors to promote junior golf within the zone; and
- ensuring a uniform junior handicapping system is in place and available for use by all clubs within the zone; and
- assisting clubs to hold junior open days as needed; and
- on an annual basis, nominating the standout juniors within the zone for inclusion in the District's Annual Junior Coaching Program; and
- delivering junior pennant and Future Tour events as supported by the clubs; and
- ensuring that all these programs and events are run in an efficient manner.
- The Tour events are open to all boys and girls aged between 5 and 17 years old who have reached a minimum standard of golf skill to enable them to enjoy playing 3 or more holes of golf.
- Ideally, children should be of a standard that enables them to make regular contact with the ball (not too many "airswings") and have a basic understanding of the safety aspects of golf (e.g. not walking close to or in front of other players making a swing). All players under the age of 12 must be accompanied by a responsible adult.
- At this time competitions are offered in the following divisions: 3 holes (short), 6 holes (short), 9 holes and 18 holes. While all 18 hole event players must have official GA handicaps, players in the other divisions do not require official handicaps and will be handicapped based on the Future Tour rules.
